

## Type of scanning

- ☒ Compute over series (same # of cases)
- ☐ Compute over cases (# cases = # of series)

## Filtering

- ☒ Use all the data
- ☐ Ignore small values
- ☐ Ignore large values

## Type of series to create

- ☒ Average
- ☐ Sum
- ☐ Maximum
- ☐ Minimum
- ☐ Variance
- ☐ StdDev x
- ☐ Count

## New series label

## New series tag
